Direct the restoration of a portion of the land to the original owner

ML 91-4-1-11

To

Dr. T C Poyan, M D
Minister for Education & Public Health,
Government of Mysore, Bangalore

Respected Sir,

I the undersigned owner of premises No 178, Krishnaraja Mohalla (Cheluvamba grahar) beg to bring it to your kind and gracious notice the following few lines

I have addressed to your gracious self a petition dated 4-1-1947 bringing to your kind notice the inconvenience caused to me by giving 1/4 portion of my land behind my premises above noted to one Doddiah, my neighbour (marked) blue in the plan enclosed The land marked in red line belongs to me and is in my possession at present and a compound wall has also been constructed at a heavy cost The land was acquired by the Trust Board, Mysore about few years back for public purpose and an award of Rs 25/- was granted, On my protest, it was decided in appealate Court to grant Rs 175/- but Rs 100/- was actually received and rest is in Court

As the land was not utilised for the purpose for which it was acquired I applied for its restoration and the Trust Board have decided to grant land marked blue to Mr Doddiah out of my land This will inconvenience me a good deal The land was given back a year ago Further the Trust Board is asking me to permit Doddiah to make use of 3 feet of land for purposes of passage This is still more troublesome and is not equitable to resume the whole land for the sake of one person to whom 3 feet land could not be spared This is all due to the influence of Mr Chowdiah, a Congressite Municipal Councillor who wants that Doddiah must be helped some way or other In this connection, it is also said that award No 62/39-40 has been passed by the Trust Board and that the land granted should be resumed without our knowledge (copy enclosed for favour of reference) but the same has not been received by me through post officially

p t o

In the fact of the above glaring injustice done to me, I request you to be gracious enough to personally inspect the property and order for the restoration of the complete land resumed by me including that portion given to Mr Doddiah and in the meanwhile to issue stay order to the Trust Board, Mysore from taking further action in this regard

For which act of kindness and generosity I ever remain grateful

I, the undersigned owner of premises No 178, Krishnaraja Mohalla, (Cheluvamba Agrahar) beg to bring to your kind and gracious notice the following few lines

I have addressed to your gracious self a petition dated 4-1-1947 bringing to your kind notice the inconvenience caused to me by giving half the portion of my land behind my premises above noted to one Doddiah my neighbour The land was acquired by the Trust Board, Mysore about few years back for public purpose and an award of Rs 25/- was granted On my protest, it was decided in appelate court to grant Rs 175/- but Rs 100/- was actually received and rest is in court

As the land was not utilised for the purpose for which it was acquired I applied for its restoration and the Trust Board have decided to grant one fourth of land to Mr Doddiah out of my land This will inconvenience me a good deal The land was given back a year ago Further, the Trust Board is asking me to permit Doddiah to make use of 3 feet of land for purposes of passage This is still more troublesome This is all due to the influence of Mr Chowdiah a Congressite Municipal Councillor who wants that Doddiah must be helped some way or other In this connection it is also said that award No 62/39-40 has been passed by the Trust Board and that the land granted should be resumed without our knowledge (copy enclosed for favour of reference) but the same has not been received by me through post officially

About this, when a request was made at Bangalore personally for conducting spot inspection, you were pleased to say that you would inspect the spot personally when you go over to Mysore during the Birthday Occasion But, then, due to some inconvenience, inspection was not done Again, when I approached your goodself you were pleased to say that you would inspect the spot during the Dasara occasion As such, I beg to state that since your honour has come over here, I request that the place may kindly be inspected personally now and due redress is shown to me, for which act of kindness I shall ever remain highly grateful to you sir
